Ref. No.-

Dated, Ranchi-----

**Office order**

**Sub:- Scheme of auto renewal of consents based on self certification**

Board intends to initiate auto renewal of consent to operate for Green (investment more than 50 lakhs) and Orange categories of industries which will submit a self certification on compliance of Environmental regulations. The strategies for effective implementations of environmental regulations include enforcement and compliance aspects which are being handled simultaneously with the consent.

In order to expedite the consent, it is now proposed to emphasis enforcement and compliance as discrete activities along with the responsibility of declaring the compliance of regulations by the industry while seeking renewal of consent. Initially the proposed scheme of auto renewal of consent based on self certification will be rolled out for the Green and Orange categories of industries.

The key features of this scheme are as under:

- 1.The auto renewal of consent will be applicable for the industries when there is no increase in overall production capacity and also in pollution load.
- 2.In case there is increase in capital investment the industry shall submit corresponding fees for consent to establish and also difference in consent to operate fees.

3. In case, the capital investment is decreased, then the industry need to apply in prescribed application form.

4. Industry will have to submit a self certification on compliance of earlier consent conditions. This self certification shall be submitted by the authorized official of the industry, duly authorized by the owner/board of directors.

5. The auto renewal will be availed for maximum 5 terms subject to payment of requisite fees.

6. The format of self certification by industries is enclosed as Annexure-'A'.
